

# Skippergården

## Bed and Office

Skippergården is the original administration building at the port of Rodby. It is only minutes walk from the harbor. The building is 1800 m<sup>2</sup> on 2 levels and full basement. This property can be used both for residential and office. The basement can be used for storage. There are 50 rooms, a canteen, TV-rooms, toilet, bath, ping pong table, dart etc.

Residential containers for up to 250 people can be set up in the area behind the building.

Meals in the canteen - 3 meals a day including lunch package can be offered.

Rooms and offices are or will be furnished upon request.
